In consideration of extending credit for the purchase of products, equipment, and/or services for my business or personal use, I agree to the following terms and conditions related to these purchases:

- 1. Our terms are payment in full within 30 days (15 days for fuel) of delivery.
- 2. Invoices not paid within assigned terms from date of delivery will be subject to a finance charge of 1.5% per month (annual rate of 18%.) Each returned check will be subject to a \$25.00 handling charge. In the event any invoice is not paid when due, the person or company to whom the product, equipment, and or services were furnished agrees to pay all cost of collection including attorney fees. If suit is brought, the customer agrees that the venue will be at the choice of PACIFIC COAST PETROLEUM.

If such are not in the possession of PACIFIC COAST PETROLEUM at the time of sale, the customer is liable for any taxes charged on the sale, regardless of future submission of tax documents.
- 4. The person or business applying for credit may be required to grant to PACIFIC COAST PETROLEUM security interest in the following collateral (including proceeds thereof) to secure payment of any obligations: all accounts, accounts receivable, and other rights to payment, all equipment, and all inventory, including without limitation all petroleum products, as more specifically stated in the financing statement. The undersigned agree to execute the financing statement and any other documents required for PACIFIC COAST PETROLEUM.
